## TAKE HOME ESSAY

*Last of the Mohicans*  
Prof. Glenn Turner  
Elgin Community College

I. In *Last of the Mohicans*, General Montcalm and Magua have a private conversation the night before the British abandon Fort William Henry. Much can be made about their talk given what happens the next day.

What do think was the subtext, the meaning between the lines, of their dialogue, if any.

TYPE your answer.

II. On the Lit. 214 website's homepage is a list of American Topics and Themes. Which of them does *Last of the Mohicans* follow or use? Explain the answer. There may, or may not, be more than one.
